

Reduce labor, chemical waste,
and the environmental footprint
of floor maintenance operations.

LESS LABOR.

LOWER COSTS.

MORE PERFORMANCE.

The smart system for floors built to last.

WHY SWITCH TO SILUM?

- ✓ Reduces costly chemical stripping with high environmental impact
- ✓ Significantly reduces polishing
- ✓ Reduces polishing dust by up to 95%
- ✓ Reduces surface soiling and buildup
- ✓ Reduces black marks and traffic stains
- ✓ More stable and safer surfaces
- ✓ Significant reduction of maintenance odors
- ✓ Concentrated and non-flammable products
- ✓ Sustainable and responsible approach

COMPLETE SYSTEM

SILUM is not just a floor finish.
It is a complete surface
protection system.

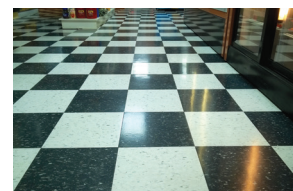

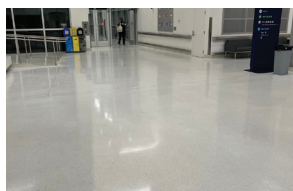

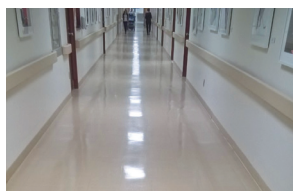

CLEANS

PROTECTS

**REGENERATES
CONTINUOUSLY**

FOR CONTRACTORS

- Greater client retention
- More recurring contracts
- Immediate differentiation
- Better operational profitability
- Fewer heavy maintenance interventions
- Easy-to-standardize system

Stop selling time.

Start selling results.

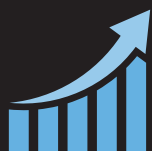

FOR IN-HOUSE MAINTENANCE TEAMS

- Less management
- Fewer emergencies
- More consistent results
- Simplified procedures
- Significant reduction in maintenance time
- Major reduction in maintenance costs

MAINTENANCE COSTS ARE MEASURED BY USAGE, NOT BY PRODUCT PRICE!

The cheapest product is often the most expensive.

- Reduction of aggressive and polluting chemicals
- Reduction of heavy maintenance interventions
- Reduction of real maintenance costs
- Significant reduction of environmental footprint

**THE MORE YOU USE IT,
THE MORE THE SURFACE IMPROVES.**

\$

**MAJOR COST
REDUCTION FROM
30% TO 50%**

FOR COMMERCIAL BUILDINGS, INSTITUTIONS, AND HIGH-TRAFFIC ENVIRONMENTS.
